HIKE FOR HOSPICE 2023 CORPORATE CHALLENGE

Hike for Hospice is an annual charity fundraising event organised since 1992, and is the flagship fundraising event of the Society for the Promotion of Hospice Care. All proceeds will go to provide quality palliative care and bereavement services to underprivileged terminal patients, ensuring that their life's journey can be completed with dignity and the warmth of their loved ones.

We rely on the generosity of our corporate sponsors to help fund our programs. Corporates are also encouraged to form teams of four for the hike to help raise money to support our causes. It is a great way for team building and to demonstrate your corporate responsibility through supporting the meaningful work we do for the community.
